It has been a busy Spring. Friday bowling has been regular occurrence. Dirty fingernails means we were working in the garden. Have any extra compost or tools? Check out our mural on the side of the Shark Shack. A huge **THANKS TO RALPH**! We plan to have a dance contest between groups.

Daylight savings time is here. We will still dismiss walkers and bikers between 5:15 and 5:30, unless we hear different from you. We close at 6PM and the staff needs to clean up and prepare for the following day. When you call with a real emergency, we can make arrangements to stay. If you are late there will charge of .50 a minute within the first fifteen minutes; after that the charge will be 1.00 a minute.

Three quarters down and one to go.

Parents keep checking planners, binders, and weekly progress reports to make this a strong academic finish. Fred, our computer wizard, is getting our Web Page information ready. We can also printout homework lists from teachers with due dates. If you would like a weekly or daily copy, let us know.

What is there to do this summer??? The Teen Center has a great summer program (June 24th - August 22nd). The Live Oak Family Resource Center has a binder filled with all kinds of summer activities. This center has an extensive list of activities and support services in our community. Be on the lookout for a survey requesting your ideas for family workshops next year. The L.O. Family center and Teen Shack plans to offer workshops our community.

The end of May we are going to the Pacific Edge climbing Gym. May 17th we are going to Pac Bell Park to watch Barry and Company.

Teen Center Staff
